

Physician – Physiatrist

The Spine Center at Unity Health System in Rochester, New York, is seeking a physician to join our growing organization.

QUALIFICATIONS:

Board certified/eligible in Physical Medicine and Rehabilitation
Experience and strong interest in spine care management required
Eligible for New York State Medical License

About the position:

Unity's Spine Center is a rapidly growing program that coordinates conservative, interventional and surgical spine services within the regional market. The program focuses on access, triage, patient navigation, outcomes and research within the community.

Interested candidates must be proficient in performing patient evaluations and in management of conservative care. Must possess excellent diagnostic, treatment and interpersonal skills. Must be able to work as part of a cohesive team. Opportunity exists to perform interventional procedures, dependent on skill level and experience.

This position offers a collaborative work environment and democratic decision-making. Employed position; competitive salary, individual productivity-based revenue and generous benefit package.

About us:

Unity Hospital, a not-for-profit community hospital, is an affiliate of Unity Health System, a 681-bed health care network serving the city of Rochester and western Monroe County. Specialty units of the 208-bed acute care hospital include its intensive care unit, surgery, psychiatry and behavioral health, obstetrics, and brain injury rehabilitation. Unity Hospital is a New York State DOH stroke center, is accredited by The Joint Commission, and is a major teaching affiliate of the University of Rochester School of Medicine and Dentistry.
